Summary statistics for the recent course evaluation of FIN 468: International Financial Management, taught in Spring 2024. All questions were rated on a scale from 1 to 5, where 5 indicates "Strongly Agree" and 1 indicates "Strongly Disagree." A higher value reflects a more positive response.

N = Number of students responded. Number of students in class = 47, Number of responses = 40, Response Rate = 85.11%.

Qualitative Student Feedback

- *This class was one of the most challenging classes I've taken, and Mr. Bhattarai did an excellent way of teaching it. Even with this being one of the hardest classes I've taken. I think I've learned more from this class than any other because of his ability as a teacher. Outside of the classroom, he was even more of a help.*
- *He was extremely knowledgeable about the subject and made it easy to follow along and understand.*
- *Instructor was extremely helpful when it came to questions regarding instruction. Helped tremendously during office hours to elaborate on the material.*
- *He shows that he cares about all of the students and makes sure to go over topics until he believes everyone understands.*
- *Instructor was very clear on his expectations and gave good advice on how to succeed.*
- *The instructor is very passionate about the subject and wants his students to succeed.*
- *Very good course. The in-class assignments and homework strongly reflect the exams and the professor makes sure that everyone has an understanding going into the exams.*
- *Practice problems in class were useful when completing homework and for doing well on exams. Additionally, I appreciated the posting of practice problems worked out if I missed some pieces of information. Having the PowerPoints posted was also a benefit.*

- *The second exam in this class was fair; the first was a bit too difficult in my opinion, but it seemed like he adjusted in the second exam. Professor Bhattarai was more than willing to meet and answer questions and took an interest in his students' success.*
- *He is very quick to help you when you do not understand something. He is also very kind and wants to help make sure that you pass the course.*
- *He is so super nice and always willing to help. He holds office hours & if he alters the time, he makes sure to let you know. As a PhD student, he relates to students and their challenges in the course.*
- *I enjoyed his class and enjoyed the structure of his class. I appreciate his willingness to help when I struggled with certain topics.*
- *Very positive experience. I have already recommended many of my peers to consider taking this course.*
- *Keshav is a very relatable professor, and I would recommend him 100%.*
- *He is very nice and responsive to emails.*
- *I think he is a great instructor.*
- *I appreciate the positive attitude the professor has in every class.*
- *Enjoyed getting to know Keshav, at times it may have been challenging but no assignment or exam was unnecessarily difficult.*
- *He is a very sweet man and will help you in any way he can.*
- *Overall, the class was well-done. Personally, I found it difficult to fully commit myself to learning as just had a lot going on during this semester.*
